

Letter from Lee

Lee Baldwin, LTC Administrator

Hello,

It's days like today that make me wonder if we will ever get an opportunity to get out and get our hands dirty in our new garden. I'm sure it's only a matter of time, but these South Central South Dakota winters sure seem long.

Winner Regional has recently transitioned to a new resident/family satisfaction survey company. These surveys will be sent to you sporadically throughout the year, and I encourage you to complete and return them so that we can identify our facility's strengths and weaknesses. These are important tools that help us make your loved one's experience here at Winner Regional more enjoyable.

If you have any questions or comments, please do not hesitate to contact me by phone (605) 842-7214 or by email baldwinl@sanfordhealth.org.

Thank you for giving us the opportunity to live and grow with your loved one.

Lee

From Our Family To Yours...

Family is important at Winner Regional Long Term Care. Our LTC employees work to provide all of our residents with quality care in a comfortable, home-like setting. The needs and wishes of our residents come first. We encourage family members to play a role in advocating quality care and quality of life for their loved ones, and ask that you speak with our staff to communicate a loved one's needs and preferences. We strive to do the best for all of our residents, keeping in mind that, "the residents don't live in our workplace, we work in their home". We appreciate feedback, suggestions and input. Your family involvement is welcome!

Our Valentine's Day Sweetheart Luncheon

was a sweet success. Our thanks go out to all who participated. Some of the sweethearts in attendance were: (from clockwise top-left): Irene and Ted Kindt, Joe and Esther Assman, Jean and Tony Hazuka, & Pete and Jeannie Wilhelmsen.
