

SANFORD

Featured Specialist

**David
Lonbaken,
DPM**
Podiatry

David Lonbaken, DPM completed his undergraduate work at the University of South Dakota and received his DPM (Doctor of Podiatric Medicine) from Des Moines University in Iowa.

A podiatrist, or foot specialist, is a podiatric professional, a person devoted to the study and medical treatment of disorders of the foot, ankle and lower extremity.

Dr. Lonbaken is board-certified in reconstructive foot surgery with the American Board of Podiatric Surgery and practices with Medical Associates Clinic, LLP, Orthopedic Center in Pierre, South Dakota. He sees patients at Winner Regional Healthcare Center once a month.

To make an appointment with Dr. Lonbaken, please call (605) 945-5291.
